Sorry to bother you again, but I had to change the conditions for the dual licensing to cover gray zone :)  
Could you fill up the new form? :) (then I stop bothering you ^^)

Thanks in advance,  
Ben

Hello :)

As a Spec contributor (thanks again for that ^^) I need your agreement to change Spec license.

Could you please fill up the attached pdf (or copy/paste its contents into an email) and send it back to me?

Thanks in advance,  
Ben
